Camp Boggy Creek Spring & Summer Programs

Johns Hopkins All Children's is a supporter of Camp Boggy Creek and its free family retreat weekends and summer camp programs for children with a range of chronic illnesses. Please find the flyer (available in English and Spanish) listing upcoming sessions. We encourage you to print and post them where families will see them. Families can learn more at boggycreek.org and clinicians interested in volunteering at Camp Boggy Creek can apply online for a specific session.

Voice4Allkids Network

The Voice4Allkids advocacy network is an opportunity to learn more about children's healthcare during the 2019 Florida legislative session March 5 - May 3. We provide email alerts with clear, brief background information and ways you can help. Click here to learn more.
