## All Children's Specialty Physicians

The All Children's Specialty Physicians group includes over 200 pediatric specialists and pediatric subspecialty physicians as well as OB-GYN, maternal-fetal medicine specialists, 150 nurse practitioners, certified registered nurse anesthetists, advanced practice nurses and physician assistants dedicated to providing the highest quality pediatric care.

At Johns Hopkins All Children's Hospital, these experts provide care in more than 30 pediatric medical and surgical specialties while sharing the Johns Hopkins All Children's mission, vision and commitment to serving our region's children. Through a regional network of outpatient care locations and collaborations with community hospitals, our All Children's Specialty Physicians provide expert care for children across west central Florida.

## Access to Patient Information

[achoutreach@jhmi.edu](mailto:achoutreach@jhmi.edu)

- Contact the physician liaison team via email to submit a request to access our Electronic Medical Records via the internet.
- Your physician liaison will assist you from beginning to end, training you and your staff.

# Physician Liaison Program

The physician liaisons connect community physicians and their staff to Johns Hopkins All Children's Hospital, as well as the Outpatient Care Centers and collaborators.

Physician liaisons serve as the personal contacts for physicians, practice managers and staff, and they are available to offer information and assistance, as well as address questions, concerns or issues.
