

Reward Chart

Use this chart to keep track of tasks and chores assigned to your child. When the task is completed, the child can check it off in the box. Together, you and your child can decide what reward is appropriate for the tasks completed. Reward ideas include: movie tickets, stickers, time with friends, a trip to the park, etc. Try to avoid using food as a reward.

Task	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday	Total
<i>Example:</i> Make bed before going to school	✓		✓	✓				3

When I reach my goal of ____ checks, my reward will be _____.
