

A Visit to All Children's Child Development Rehab Center

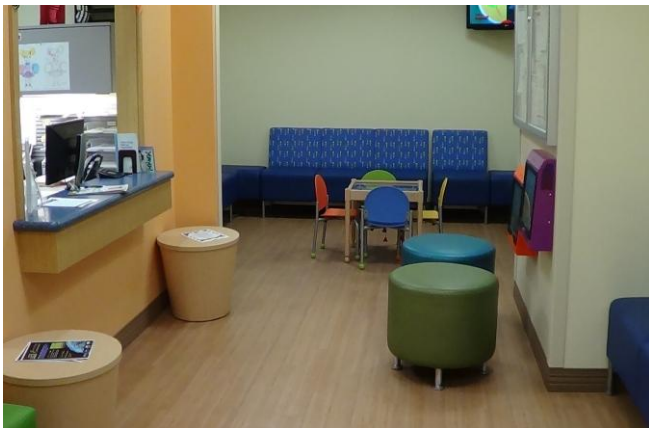

You are going to a special building to play and meet some friends.

You will get on an elevator and get off on the 4th floor.

You will wait in a special room.

One of our team members will come and get you and she will take you and your family to meet her friends.

You will play and look at pictures.
There will be lots of toys!

When you are all done playing you will go bye-bye with your mom/dad.
