

# JOHNS HOPKINS ALL CHILDREN'S HOSPITAL NURSING PROFESSIONAL PRACTICE MODEL

Vision—Mission—Values

We, as Johns Hopkins All Children's nurses, provide patient-centered, specialized, evidence-based nursing care across the continuum. Our vision as professional nurses is to provide an environment that supports the delivery of the highest quality of care and the advancement of nursing practice.

Through an **inter-professional** approach to **treatment, research, education** and **advocacy** we make care safer and cures achievable. We are dedicated to a professional practice through:

COMPASSIONATE  
AND SAFE CARE

OUR TRADITION OF  
PATIENT-CENTERED

COLLABORATIVE  
PRACTICE

CULTURE OF CURIOSITY  
AND INNOVATION

COMMITMENT TO ACADEMIC
