

# Mental Health & Bullying Q1 PROGRESS

## OBJECTIVE 1

- > Identified the Sandy Hook Promise as the level 1 evidence-based tool that assists with developing and delivering mental health and wellness programs
  - In August 2018, this was adopted and began utilization across the county
- > All middle and high school students were trained in the *Say Something* anonymous reporting system and app to help identify and intervene with at-risk individuals before they harm themselves
  - More than 400 tips received since the launch of the app on January 8, 2019

**PARTNERS: Pinellas County School Board**

## OBJECTIVE 2

- > Increasing access to mental health providers by focusing on legislative advocacy for schools

## OBJECTIVE 3

Working with Johns Hopkins All Children's psychology department to develop electronic resource guide or at least update resource listings.

**PARTNERS: Bold Goal of Tampa Bay, Juvenile Welfare Board, Tampa Bay Health Collaborative**

## OBJECTIVE 4

- > Mental Health First Aid program adopted by the Pinellas County School Board
- > The school district has trained 2,155 participants including staff and community members

**PARTNERS: Pinellas County School Board**

## OBJECTIVE 5

Trained all middle and high school students in *Say Something* anonymous reporting system and app and are training schools in *Olweus* bullying prevention program, which is part of the Sandy Hook Promise
